The 11th Salon Culinaire Bali by Bali Culinary Professionals (BCP)

Bali Culinary Professionals is a non-profitable organization that supports young individual chefs in Bali. The goal of the organization is to create, maintain and improve professional standards of chefs, highlighting and encouraging new and needed skills, facilitating new ideas and exposing Balinese food and their craftsmen locally and as well as globally. Related to the aims they have; a prestigious program was created. An entertaining and educative program by Bali Culinary Professionals through an exciting and artistic competition in showcasing the skills and expertise of chefs and apprentices in the industry with several competition classes. Not only expecting competitors within Indonesia, but we are also looking forward to welcome participants from various neighbouring countries in Southeast Asia affiliated with the association.

Barnation by Asosiasi Bartender Indonesia (ABI)

An exciting competition held by Asosiasi Bartender Indonesia (ABI) in search for the best bartender and facilitating great bartenders to show off their skills and unique styles in Flairtending and presenting their drink mixing skills through the Mixology competition. The Flairtending show is co-hosted by IFBEC Bali, and the 1 hour-long event brings best bars professional from all over Bali to compete in FHTB. The winners will be announced at the BARNATION program. This program will for sure entertain all the guests and visitors.

Indonesia Latte Art Championship (ILAC) by Specialty Coffee Association of Indonesia (SCAI)

An exciting competition by Specialty Coffee Association of Indonesia (SCAI). ILAC highlights artistic expression in a competition platform that challenges the barista in an on-demand performance. Baristas produce a single creative latte pattern at the Art Bar, then move to create two identical free-pour lattes and two identical designer lattes (which allow etching and decoration). Scores from the Art Bar and Stage are combined, and the top 12 qualify for the semi-final round, where competitors make two matching sets of different free-pour latte patterns, and one matching set of free-pour macchiatos. The top six semi-final competitors qualify for the final round, where competitors make two different matching sets of free-pour latte patterns and one matching set of designer lattes.

Wine Masterclass Indonesia Sommelier Association conducted by Bali Chapter

This Wine Masterclass Indonesia Sommelier Association program is conducted by Bali Chapter, the non-profit organization established in 2009 in Jakarta which is affiliated to The Association de la Sommellerie Internationale (ASI), founded in Reims (France) in June 1969 suited for people who are interested in wine also professionals. This program is expected to motivate people to perfect their skills and helps widen knowledge of the sommelier profession in the public at large also with an aim of creating an educative short program to acknowledge everyone who is involved in The Wine and FnB Industry.

LOTUS FOOD SERVICES

Gelato Workshops by Carpigiani & Lotus Food Services

Gelato & Pastry industry is increasing in demand. Due to this Carpigiani & Lotus Food Services will host a workshop to inspire visitors on unique gelato and dessert ideas. Visitors and guests will be entertained while learning more about the gelato ingredients and equipment needed to achieve a successful shop.

Visitor Guidelines and SOPs

To ensure the safety of our visitors attending FHTB 2022, we will implement stringent SOPs as set by the Government and approved by the organiser as follows:

- Visitors are required to pre-register before coming to the exhibition to limit the number of people present in the exhibition hall.
- Only fully vaccinated individuals (two times vaccinations) are allowed to enter the exhibition hall and access other facilities of Bali Nusa Dua Convention Center.
- Visitors are required to observe strict personal hygiene practices including wearing masks, practicing social distancing and sanitization.
- Temperature screening & Peduli Lindungi scan will be carried out for all visitors before they enter the exhibition hall. If their temperature is high (37.5° C) or they present COVID-19-like symptoms (such as cough, sore throat, or shortness of breath), the organizer will advise them to go to the nearest clinic. They will not be allowed to enter the exhibition hall.
- If the exhibition hall reaches the maximum occupancy during the visiting hours, visitors will be guided to a designated "waiting area".
